

An Economy of Enough in a Time of Crisis and Opportunity

Part of Reach'26

Queen's Art and Sustainability Festival

Earth Day Conference

Wednesday 22nd April

9.30am-1pm

The Canada Room
Queen's University Belfast

On Earth Day, explore bold alternatives to today's economic system in response to the climate crisis. Take part in a World Café conversation, hear from experts and community activists, and connect with others to be part of a global movement for change.
